### A Word From the Executive Officer

On Wednesday at our mid week community lunch we celebrated International Women's Day. Our women dressed up in cultural dress and enjoyed serving African coffee. Khadra, a long term community development worker in Carlton with particular work with the African community, shared some of the story of how she got into this work and her fearless and tireless passion for social justice and supporting women and children – she is an absolute inspiration and a great role model and community connection for our women. We had decorations and posters of inspiring women up around the place and enjoyed a hearty Persian spread for lunch outside under the trees cooked up by one of our lovely local residents and community leaders, Elena.

We are so lucky to have our women's group and grateful for all the ways they bring joy and give back to our work. It was a great opportunity to celebrate them, as well as all the other women who have shaped us and influenced us. We were particularly grateful for Ayan's passionate work around recognising and celebration International Women's Day well in our community – she herself is a tower of strength and passion and we are lucky to have her taking the lead in our our community pantry and fresh food market. Happy International Women's Day!!" (Continued on page 6)

We are so lucky to have our women's group and grateful for all the ways they bring joy and give back to our work. We were particularly grateful for Ayan's passionate work around recognising and celebration International Women's Day well in our community – she herself is a tower of strength and passion and we are lucky to have her taking the lead in our our community pantry and fresh food market. Happy International Women's Day!!"

"We have had a wonderful week celebrating the great women around us at CAN. Our Women's Group in particular is a core part of our work. On Tuesdays they gather together for community, food, laughter, conversation – it is a significant place of connection and nourishment for women from all around the world. It's a place where women practise their English, build friendships, learn about Australia and discover new places around Melbourne and have a lot of fun!! During the rest of the week, these women give back to our other programs, volunteering in our pantry and our fresh food market, cooking lunch for the mid week community lunch, helping organise afternoon tea at Homework Club and many other unseen acts of service. It has been and joy and pleasure to be able to spoil and celebrate these wonderful women this week.

On Tuesday they escaped the city and made the most of a beautiful day to get down to the water in Geelong. They enjoyed walks along the beach, a delicious lunch and a nap on the grass in the afternoon. Bliss!!
