4. Effective heating in your home

- ✓ Heat only the room or area you're using – where possible, set temperature to no more than 18°-20° C
- ✓ Close curtains or blinds at night to help keep the warmth in
- ✓ Use sealing strips and door snakes around doors and windows to prevent draughts

For too long, we've called unbelievers to "invite Jesus into your life." Jesus doesn't want to be in your life. Your life is a wreck. Jesus calls you into his life. And his life isn't boring or purposeless or static. It's wild and exhilarating and unpredictable.

CAN Strategic Plan

The current three year CAN Strategic Plan is due to expire this year. We did spend a significant amount of time and energy doing a “refresh” on it last year and the Church Council does not discern that the congregation is ready for a major, blue sky, “from the ground up” Strategic Planning exercise again. But the Church Council is definitely open to hearing any new or emerging priority areas in the life of the congregation people would like to bring forward. Church Council has adopted the following time line

Time Line for New Strategic Plan

- June 30 start thinking of strategic plan in worship
- June 30 Church Council approves date and process
- July 7 and July 14 promoting Strategic plan process in worship and invite people to prayerfully discern any new directions/priorities and to be preparing a presentation or meeting
- July 21, 28 Aug 4 - Process open for new ideas to be presented
- Current Strategic Plan is available - emailed and hard copies at worship June 30
- Articles in bulletin, have a 3-5 minute spot in worship, speak to people or organise a small group after worship
- If any new ideas are presented for consideration then the person will be asked to present at congregational meeting on August 11.
- If no new ideas are forthcoming then the Strategic Plan working group will be asked to review current ideas and activities with a view to updating existing ones.
