CAN Community Support

A WORD FROM CAN COMMUNITY SUPPORT

One of the encouraging stories that came from our recent Ethiopian New Year celebrations came from a woman who joined us for the celebratory community lunch.

Well known locally as a devout Muslim, she had previously expressed hesitation about entering a church building. Ayan, our Food Security Coordinator, shared that she first came into our centre during the Coming Together Festival held in Dyson Hall back in May. We were delighted to welcome her back for our Ethiopian New Year celebration a couple of weeks back.

Through these experiences, she has discovered that our church is a place of welcome, respect, safety and hospitality. Seeing trust grow and barriers soften across faith communities is deeply encouraging. Moments like these remind us that sharing food, stories and friendship can build understanding in ways that formal dialogue alone often cannot.

Refreshments provided

Earlier this month, second-generation young adults and emerging leaders from intercultural communities across the Uniting Church gathered in Merricks, Victoria for Feast of Faith 2026.

Hosted by the Uniting Church Synod of Victoria and Tasmania, this year's retreat also welcomed participants from the Queensland and NSW/ACT Synods, creating space for emerging leaders from across the Church to connect, share stories and encourage one another in faith.

The theme, "Come, Taste and See", drew on Psalm 34:8: "Taste and see that the Lord is good." The weekend invited participants to step away from the busyness of everyday life and make space for worship, Bible reflection, prayer, leadership development and honest conversation about faith and calling. "Feast of Faith was more than simply attending a retreat," VIC/TAS Synod's Younger Generations Multicultural Coordinator Pastor Nia Lavaki said. Read on [here](#)!

QUARTERLY CONVERSATION ON THE QUARTERLY ESSAY

Friday, October 2, 11am at the Dalton McCaughey Library, Centre for Theology and Ministry, Parkville

Do we still believe in progress? In this wonderfully clarifying essay, Waleed Aly examines what happened to liberalism. As a set of ideas, it offered equality and guaranteed freedoms. But more and more, we live in a post-liberal world.
